

Gimlet Cocktail

Ingredients

- 2 ounces of gin (may substitute vodka)
- 4 ounce VincyFresh Lime Cordial
- lime wheel for garnish (very optional, but attractive)

Directions

Combine gin and VincyFresh Lime Cordial in a mixing glass filled with ice. Stir vigorously until the drink is cold.

Strain into a cocktail glass (preferably chilled).

Or if you prefer to drink this on the rocks, strain into an ice-filled old-fashioned (rocks) glass.

Garnish with lime wheel or wedge, if you choose.
